President's Message

Attention bird watchers! Get ready; the annual migration of the Falcon is not far away. Every year, Falcons from all over North America begin their famous trip to the National Meet. Falcon lovers have been known to fly from Europe and Australia for the event. Don't miss it! The 2003 FCA Nationals in Texas, hosted by the Heart of Texas Chapter promises to be one of the best.

The Falcon Club of America is truly a family club. We have many second and third generation families, along with brothers and sisters, aunts, uncles, and cousins. Our Falcon family includes many ladies, not only supporting their husbands and boyfriends, but in an active Falconing role.

The membership includes Falcon lovers of all ages. A Falcon may have been your first car, and in many cases it's been a first car for a son, daughter, or grandchild. We are fortunate to have an extended family in the friends we've made through our Falcons. So, the National Meet is a family vacation, family reunion and car show all in one.

Make a point to get to know a new member at this year's National Meet. New members are very important to the club. Welcome them to our Falcon family; they also promote the love of Falcons. If you have not yet signed up for the National Meet, there is still time! See you there!

Counting Down to 2003 National Convention

The time is getting close for the 2003 National in Arlington, Texas.

The Heart of Texas Chapter has been working very hard to assure that you have a fantastic time. There are

lots of things to see and do.

We have lots of great door prizes for men and women.

Our schedule of activities:

- Thursday, July 17th, 2:00 PM there will be a tour of AER.
- Friday, July 18th, 7:00 AM we will be at the Texas Motor Speedway. Time of departure from the hotel will be announced. We decided on this time of day so that it would be cooler.
- Friday, July 18th, 5:00 PM there will be a Tail-Gate Party in the parking lot. We will serve finger foods and drinks for everyone.
- Friday night at 7:00 PM there will be our Texas Hoe-Down with a live Country and Western Band and a dance floor for those of you who would like to kick up your heels.
- Saturday, July 19th, 10:00 AM to 12:30 PM there will be a 50's Rock'n Roll show in the parking lot. Professional performers will perform for us. They are great performers and we know that you will enjoy the show.
- Saturday, 1:00 PM we will have the valve cover races.

Saturday is also voting day and Saturday night at 7:00 PM will be the 2003 FCA National Banquet with a great Barbeque Buffet.

There will be lots of time in between for everyone to visit area attractions if you chose to do so. We have discount tickets for everyone who would like to go to Six Flags over Texas. These discount tickets are really a big savings.

The Ball Park in Arlington will also offer tours at a group rate for any of you would like to visit the home of the Texas Rangers Baseball Team. This tour is really detailed and you will get to see a lot, even the Locker Room!

Hurricane Harbor Water Park, lots of great restaurants and an Antique Mall are all close to the Hilton. There is a FREE trolley that will take you to all of the attractions. You will need to pick up your trolley tokens inside the Hilton Hotel. The Hilton Hotel also offers a FREE shuttle and it will pick up and deliver at the DFW Airport.

For any of you who were not able to get a room at the Hilton Hotel, the Hawthorn Suites is taking the overflow and the room rate is \$89.00 a night also. The Hawthorn has really nice accommodations and it is right in the back yard of the Hilton Hotel. Everyone will be close together. If you need to contact the Hawthorn the number is 800-527-1133. Be sure and let them know that you are with the Falcon Club of America. If you have any problems at all please contact me at 817-999-2841 or e-mail me at fralicksl@aol.com and I will be more than glad to help you out.

For those of you who will not be able to come if you would like to purchase a T-shirt and receive a goodie bag they will be mailed to you. Please let us know.

So long for now and we hope to see all of you in July.

Have a safe and enjoyable trip to Texas.

Sincerely,

Linda Fralicks & The Heart of Texas Chapter

INTERNATIONAL-CLASS FORD **FALCON** BEST SELLING NEW CAR IN HISTORY

Around the world, with more cars to choose among than ever before, more people chose the new Ford Falcon in its first year than any other car in history. And, for '61, Falcon offers more success features than ever. You get up to 30 miles per gallon — go 4,000 miles between oil changes — maintenance costs are low. Servicing is easy and inexpensive. The Falcon gives you thicker insulation, Diamond Lustre Finish that never needs waxing, heavier chrome, unit-body construction. You get Ford's exclusive built-for-people comfort, easy handling performance — both in city traffic and out on the highway, too. And for 1961, Falcon offers you a choice of two ultra-short-stroke, 6-cylinder engines that deliver more power from less fuel. These are among the solid, sensible reasons that have made the Falcon the new measure of automobile value—and the best selling new car in history. See the car that over 400,000 owners have made the Success Car of the Sixties — the new International-Class Ford — 1961 FALCON.

Wherever you live...you get more for your money in any Ford-built product
